<input type="checkbox"/> Primary Alt. Part Number		<input type="checkbox"/> Pricing Level 4 (Qty for Price)	
<input type="checkbox"/> Order Bar Code Content ¹		<input type="checkbox"/> Order Quantity	

- 1) Order Quantity + Part Number
- 2) Code 39 is a larger barcode, leaving room for fewer digits on the tag
- 3) Most stores prefer to bar code the part number because it results in a shorter barcode
